Additional descriptive comments on figurative or decorative portion of the exterior: This is an arm which projects from the largely missing body. It could be a left or right hand, but I see it as a left hand. The thumb is short and stubby. Three incised lines mark the 4 fingers.

The item is: not eroded - slightly - moderately - very - extremely eroded.

It has - does not have other damage. Describe:

Not drawn - drawn. Where? reverse.

Comments: One sharp angle on this makes it look like it was molded; the hand, however, looks hand-modeled and incised.
